

## CABIN PREP KIT

- **Antibacterial wipes** - This is **MY MUST HAVE!** The cabin is always clean but I feel better taking it a step further. I wipe down the toilet seat, handle, faucet, light switches, TV remote, phone and the doorknobs.
- **USB Charging Hub** - This is my teenager's favorite on the list. They get a 6 USB port in their connecting room and my husband and I have a 4 USB port in our room.
- **Pens, highlighter & Notepads** - I love having these on hand to leave notes for family or for our room steward. You can also highlight your cruise schedule for the not to be missed events.
- **Magnetic Clips/Hooks** - The **walls of the cruise cabin are metal** so magnets can be handy organizational tools. You can hang up your cruise schedule, lanyard, hat, notes, etc.
- **DIY “Fabreeze”** - I have teenagers. I also use this to spray into our hamper mid week. My husband and I try to workout each morning so sweaty clothes need some “Fabric Refresher”.
- **Thank You Cards** - I enjoy writing a little note to our room steward and our waiters/waitresses to include with their extra tip. They provide great service and I think it's the right thing to do.
- **Pop-Up Hamper** - This is so easy to pack and helps keep the small room nice and tidy. Don't forget to also store those suitcases under the bed.
- **Clothes Pins** - It's easy to hang up more swimsuits on the retractable shower line with a few clothespins.
- **Dollar bills** - I put 10-20 single dollar bills in the desk drawer for easy access to tip room service, etc. We order coffee each morning from room service so I like to tip a couple of dollars each time.
- **Mini Flashlight** - Our daughter likes to keep this mini flashlight on the nightstand by her bed. It's perfect for a late night trip to the bathroom without disturbing her brother. Plus, I'm a “safety-first” girl so it's a good thing to have if needed.
